

1. Social Events

Please check the social events schedule on our website:

<https://coolstars23.github.io/events.html>

Welcome Reception & Talk (June 14th): You are all cordially invited! Please note that this event will take place at Miraikan, not at the main conference venue (TOC Ariake).

Conference Banquet: Please note that on-site tickets will not be available. Kindly purchase your tickets in advance via AMARYS by May 31. After this date, only a limited number of tickets will be available upon request. Please also note that banquet fees are non-refundable after May 31.

Excursion Tours: Each tour has a maximum capacity of 40 participants. Registration will open on Monday during the lunch break. We recommend checking the options in advance to find your preference. Full details will be announced on Monday morning.

2. Venue Information & Logistics

Wi-Fi Connection: Wi-Fi will be provided at the venue. However, the connection may slow down if heavily used. We kindly ask you to consider using your own mobile network or to avoid streaming videos and downloading large files during the sessions.

Power Outlets: Please be advised that power outlets will not be available for general participants in the conference room.

Charging Stations: We plan to set up a limited number of charging stations in the corridor for your convenience.

For Speakers: Both power outlets and a high-speed network connection will be fully provided at the podium during your presentation.

3. AMARYS Registration System

To prevent any system errors or unexpected issues, you will not be able to modify your registration status or accommodation information online after June 1st. If you need to make any changes after this date, please contact the secretariat directly.
